

The Rescue of Bai Thoe, Stamp & Noah...

Bai Thoe is 18 years old. Orphaned at the age of 12 and married off at the age of 13 she had to grow up very quickly. She has 3 children aged 5,3 and 18 months. Her husband was a drug abuser and physically beat and often imprisoned Bai Thoe in their home.

For a few years Bai Thoe attempted to escape but was unsuccessful. Finally some neighbours who also happened to be the only Christians in her village helped her escape and contact the local police. She was then sent with her two younger sons to the government shelter in Chiangmai.

After a month the shelter contacted Haven of Grace to see if we could help them in providing further assistance for Bai Thoe with vocational training so she would be able to work.

Bai Thoe came to stay at Haven of Grace in February. She has since improved in her health and is happy and is a quick learner, taking in all the training being given and applying herself to develop her skills. Her two boys have improved in their development after spending the last few months in the Haven Day Care program. Bai Thoe has also been reunited with her eldest daughter who is being cared for in a special needs home.

Ploy, Nida & David...

were welcomed to Haven of Grace in February having faced family abuse and severe financial difficulty. Now Ploy is able to work in our Handicrafts and Sewing program to earn some income for herself and children.

Success in Training but Sponsorship still needed...

The last few months have been a success in training and improving the skills of the 6 mothers we are caring for at Haven of Grace. In 6 months we have trained them in Handicrafts, Sewing, Soap making, Cooking, Bakery and Barista. We are very proud of the way they have applied themselves.

Whilst the women are improving and ready to work. Due to the lock down of Covid 19 the local weekly markets are still closed and this is where the women would get most of their income from. They are able to sell some produce here and there but we are needing sponsorship for 3 of the mums still unable to work and earn enough.

If you would like to help these women rebuild their lives & future you can give in one of the following ways:

A YEAR AT HAVEN INVOLVES 4 STAGES...

Stage 1: Caring for Self and Baby

Stage 2: Child Development and Parenting

Stage 3: Managing Work, Family and Finances

Stage 4: Preparing to leave Haven of Grace

Our goal in helping these women is that they receive support in all areas, physical, mental, emotional and spiritual. We encourage them to set goals and make steps to achieve them. We want to see them break the cycle of poverty and abuse that is often the root issue in these broken families.

Sponsorship

Why Sponsor?

Sponsoring a mother and her child when they arrive at Haven is directly helping to provide for their shelter, food and medical costs.

By your sponsorship you are helping us keep mother and child together, equipping women in practical skills to provide and care for themselves and their children.

Haven of Grace is a not for profit foundation providing vulnerable women and children who have been abused and abandoned, with a safe and loving environment where they can recover and be restored.

How much is it?

\$200/month for one mother and baby
