ATM Update August 2021

The past few months here at ATM have been a major adjustment due to the latest wave of COVID. Due to this our daily activities here have been very different and many new projects have been talked through and planned to more effectively help the people who are currently in crisis.

2 Chronicles 7:14

14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Fire Camp 2021

It has been difficult decision we've had to make, together with our partners, to postpone our annual youth camp this year due to the very strict covid restrictions currently in place. Despite this setback we still plan on putting together a livestream event to encourage the kids and their leaders where they're at, which may end up reaching more than the 300-400 kids who usually come to camp so please pray with us for provision and favour for our Fire Camp Livestream event. We also plan on recording and sending out a Fire Camp worship album.

Burma Crisis

The people of Burma have experienced so much suffering in the past 8 months. First the military coup and the blood bath that followed, then being chased to the borders, and recently a very deadly wave of Covid that has left people dying in the streets with no access to proper medical care and no efforts from those in power to minimise the spread. One of our very own dear friends and partner, Pastor Saw Hnit in Yangon passed away recently due to this. Please continue to pray for Burma that God will have mercy on the people and release them from this 70 years of oppression.

ATM Base

Our team members during this time have been strategising on how to continue moving within the restrictions, such as getting training in different areas like accounting and admin, renovating and cleaning the base, doing inventory and trying to make our own place as self sustainable as possible. Plans our being put in place to continue to improve the base so as to be good stewards of that which has been entrusted to us. Pastor Rebecca has been working hard on completing the curriculum ready to open the bible school as soon as restrictions are lifted.

Self Sustainability Project

One of our biggest projects that we have been focusing on lately is our self-sustainability project. This year nearly 700,000 baht was given towards aid. We are so grateful for those who gave and the people have been able to survive due to that generosity. However, due to the ongoing situation in Burma we know that the need will continue to grow. Dr. Timothy has outlined a plan to raise chickens, ducks and goats to pass to areas in need to then raise and give 10% to the next place in need, and so forth. By building a model of the project here on base we will be able to teach remote areas how to run the project so that they always have plenty but are able to generously give to others. Another part of the project will be to have a food bank where places which may have rice or vegetables in abundance can come and trade for animals in order for us to pass on everything that is needed for the people to be sustainable. For more information on this project please send us an email.

Message from the Founders

Over the past 2 years we have all had to adjust to Covid-19 restrictions, lockdowns and long periods of isolation. It has become distressing for the majority of us who have been faithfully gathering together with fellow believers in the faith every week to suddenly be all alone.

Let me encourage you that you can still nurture your relationship with God despite the circumstances.

Hebrews 11 tells us of many of the heroes of faith who were considered the 'only ones righteous' in their generation....Abel, Enoch, Noah, Abraham, Lot, Isaac, Jacob, Joseph, Moses, Elijah, King David, then the Apostle Paul spent a good number of years in prison writing to the Early Churches. The Apostle John on the Isle of Pathmos. These are just a few who went it alone.

Jesus Himself was the only sinless one on Earth. He speaks and says:

Matthew 28:20

20 " and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Let's read each of the accounts of the heroes of faith mentioned and take heart.

Be of good courage Brothers and Sisters in the Lord. Let's continue to encourage one another by every means we can. You are not alone. We are not alone.

May the Lord bless you in every way abundantly and beyond.

LET'S MAKE A DIFFERENCE TOGETHER.

All by God's Grace,
TIMOTHY AND REBECCA

Current needs and prayer points

Our specific prayer points for ATM are:

1. Dr. Timothy's health to be restored
2. Expansion, renovations and upkeep of the base
3. Self sustainability project funding
4. New toilet and shower facilities
5. Furnishing for dorms
6. Equipment for student kitchen
7. Media and music equipment
8. Team housing
